# Declaration of Consent according to EU-GDPR

State: January 2019

---

## Stay in touch with us

Dear Sirs,

We like to share our knowledge – especially with you. It is important to us that you stay up to date – for example on products, technical seminars, trade fairs and events. According to the General Data Protection Regulation (EU-GDPR) we need your consent.

### Agreement to receiving promotional mails

I agree that the company PVS Kunststofftechnik GmbH & Co. KG (Salzstraße 20, 74676 Niedernhall, Germany) and all companies of the PVS Group may send me information, newsletters, trade fair invitations, feedback and customer satisfaction requests by e-mail and that my e-mail address and optionally my first name, surname and IP address may be processed for these purposes by the above companies.

### Legal notices

I am aware that by sending a message to [datenschutz@pvs-plastics.net](mailto:datenschutz@pvs-plastics.net) I may revoke my consent at any time. The revocation does not change the legality of promotional mails and data processing carried out until the revocation. (No retroactive effect of the revocation). You can also use the “unsubscribe link” at the end of any future newsletter.

### Note on data protection

We will continue to use your e-mail address in the future only for the purpose of providing the service of mailing newsletters (e-mail advertising). Your data will not be passed on to third parties. I have taken note of the further information on the processing of my personal data for the mailing of promotional mails on <https://www.pvs-plastics.net/datenschutz.html>.

Thank you for your trust and interest.

Best regards,

Your PVS team
